Self tape audition brief

Send a clear, practical audition request with the role materials, deadline, submission instructions, and support contact in one place.

Complete the PDF fields, then save and reopen to check your entries. Use a referenced attachment if you need more room.

Role and material

Production and casting contact
[Project title, role, contact, and request reference]

Role and service context
[Relevant role description, proposed work dates/location, and agreement or pay information reference]

Sides and performance request
[Material link/version, requested scenes, takes, slate details, and intended duration]

Timing and delivery

Issued and due
[Issue date/time, deadline date/time, time zone, and any approved exception reference]

Submission instructions
[Secure upload route, file name, accepted format, size limit, and receipt process]

Alternative and support route
[Contact for another audition format, access arrangements, or a timing issue]

Recording and practical limits

Keep the request achievable with ordinary equipment. Do not require a purchase or a paid upload route for this request. Do not request nudity, simulated sexual activity, stunts, or hazardous acts in a self-tape.

Use the recording only within the separately agreed casting permission. Publicity, production use, AI training, and digital-replica uses are not authorized by this brief.

Review and retention
[Authorized casting recipients, retention/deletion details, and separate consent reference]

Follow-up
[Expected response window, status contact, and next step]

Request template, not a booking or recording consent. Confirm current contract requirements for turnaround, materials, alternatives, and accessibility before issuing.
